April 13, 1989

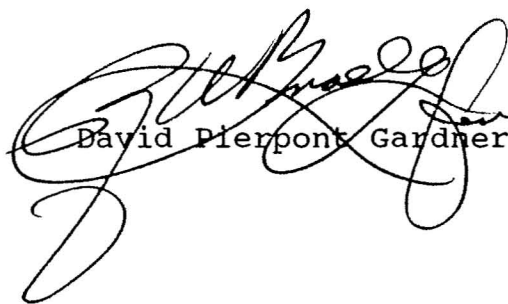

CHANCELLOR ATKINSON

Delegation of Authority--Redesignation of the University of California, San Diego Medical Center as a Level I Trauma Center

At the meeting on January 20, 1989, The Regents authorized the President to approve for execution by the Secretary of The Regents an agreement with the County of San Diego for the redesignation of the University of California, San Diego Medical Center as a Level I Trauma Center.

At that same meeting The Regents authorized the President to execute any amendments, addenda, or renewals of the agreement, provided there is no substantial increase in the amount of the Designation Fee or any other substantive modifications of the agreement.

Effective immediately, as Chancellor of the San Diego campus you are authorized to execute any amendments, addenda, or renewals of this agreement subject to the terms of the January 1989~~89~~ Regental authorization, a copy of which is attached.

C REPORT

January 20, 1989

I. Redesignation of the University of California, San Diego Medical Center as a Level I Trauma Center

The Committee recommends that:

- (1) The President be authorized to approve and the Secretary to execute an agreement with the County of San Diego under terms of which the University of California, San Diego Medical Center would be granted redesignation as a Level I Trauma Center as part of the San Diego County's Trauma Management Plan, and the Medical Center would be obligated to provide medical services to major trauma victims from a defined trauma catchment area according to the criteria established in that Plan and described in attachments to the said agreement, with other major provisions as follows:
 - a. The term of the proposed agreement would be from February 15, 1989 through December 31, 1991;
 - b. County would provide management, direction, and trauma center review to components of the Trauma Management Plan;
 - c. County would evaluate and implement triage protocols and procedures, subject to University's right to review;
 - d. University would agree to pay County a Designation Fee of \$90,000 from Medical Center operating funds for the initial year of the contract, with the understanding that County would seek sources of funding to decrease the fees in subsequent years;
 - e. Either party would have the right to terminate the proposed agreement without cause at any time by giving forty-five days' written notice, and County would have the right to terminate the proposed agreement with cause by giving sixty days' written notice;

January 20, 1989

C REPORT

-2-

- f. University would agree to defend, hold harmless, and indemnify County for all obligations undertaken or services performed by it or its agents, subcontractors, or independent contractors or for any acts arising from the active or passive negligence of County which arise under the provisions of this agreement, while County would provide no such assurances to University; and
 - g. University would maintain insurance, as specified in said agreement.
- (2) The President be authorized to execute any amendments, addenda, or renewals of said agreement, provided there is no substantial increase in the amount of the Designation Fee, and provided there are no other substantive modifications of said agreement.
