OFFICE OF THE PRESIDENT

**CHANCELLOR PELTASON**

**Delegation of Authority--Administration of Irvine Campus Housing  
Community Program**

At the September 1983 meeting, The Regents authorized execution of an unsubordinated groundlease between The Regents and the Irvine Campus Housing Authority to facilitate the development, construction, and administration of the Irvine Campus Housing Community Program (the Program). Subsequent actions at the June 1984, September and November 1985, May 1986, May and July 1988, and March 1989 meetings of The Regents amended and restated the Program and the terms of the groundlease. You received a letter from me dated October 28, 1986 (DA 0915) delegating specific authorities for administration of the Program (a copy is attached for your convenient reference). That letter remains in effect.

This present letter confirms your continuing authority to administer the Program pursuant to prior and future Regents' actions and to the provisions of DA 0915 without a new letter from me, provided:

1. you do not exceed any limits or authorities of the Bylaws and Standing Orders of The Regents or University policy which may apply to the Program;
2. you do not take or approve actions which increase any material obligations of The Regents without their approval; and
3. the general intent and purpose of the Program remain unchanged from those approved by The Regents.

Within the three conditions listed above and under provisions of DA 0915, you may continue to redelegate your authority for administration of the Program, with copies of such

redelegation letters furnished to the Senior Vice President--  
Administration, the Director--Coordination & Review, the General  
Counsel, and the Treasurer.
