CHANCELLOR BLOCK**Delegation of Authority--To Solicit and Execute Certain Changes with Respect to the National Children's Study Award**

Standing Order of The Regents 100.4 (dd) authorizes the President to execute documents to solicit and accept pledges, gifts, and grants.

On March 10, 1995, the President delegated authority to Chancellors to solicit and accept extramural grants and contracts for research if direct costs in one project year did not exceed \$5,000,000 (DA 2036).

Because the named project exceeded this limit, the President approved the initial solicitation and executed a contract on behalf of the Los Angeles campus with the National Institutes of Health in the amount of \$14,674,318 for a sixty-month period commencing September 28, 2007.

Effective immediately, as Chancellor of the Los Angeles campus, you are authorized to solicit and execute any amendments, modifications, or renewals subsequent to the initial award provided the general intent and purpose of the program remain unchanged from those originally approved.

Any redelegation of this authority shall be in writing with copies to the General Counsel and Vice President for Legal Affairs and the Universitywide Policy Office.

Robert C. Dynes
