EXECUTIVE VICE PRESIDENT—CHIEF OPERATING OFFICER

Delegation of Authority—Applications to Federal Communications Commission

The Executive Vice President—Chief Operating Officer is delegated the authority granted to the President in Section 100.4(dd)(7) of the Standing Orders of The Regents to sign and submit applications to the Federal Communications Commission for authority to operate radio or television broadcast facilities, after specific authorization in each instance by The Regents.

This delegation is effective immediately and supersedes the December 1, 1982 delegation of this authority. Any redelegation shall be in writing with a copy to the Universitywide Policy Office.
