CHANCELLORS

Dear Colleagues:

Enclosed are University of California implementing [guidelines](#) for the California Gun Free School Zone Act of 1995 as amended by passage of Assembly Bill 2609. The original legislation prohibited the transportation and possession of firearms on public school properties in this state. The recent amendments extend the definition of school property to non-contiguous sites and require the University to post prominent notices at primary entrances to non-contiguous campus property stating that firearms are prohibited on that property.

The Division of Agriculture and Natural Resources is working with my office to develop guidelines specific to properties of the Natural Reserve System, and you should receive those guidelines in the near future.

The full [text of the legislation](#) is also enclosed. If you have questions regarding the implementation, please contact Acting Associate Vice President Jim Dolgonas by phone at (510) 987-0458 or by electronic mail at jim.dolgonas@ucop.edu.

Sincerely,

V. Wayne Kennedy
Senior Vice President

**University of California
Implementation Guidelines for
The California Gun Free School Zone Act of 1995 and Amendments**

The California Gun Free School Zone Act of 1995 prohibited the transportation and possession of firearms on school grounds or within school zones, including property of the University of California. This legislation and its amendments, chaptered in California Penal Code §626.9 states, in relevant part:

Any person who brings or possesses a loaded firearm upon the grounds of a campus of, or buildings owned or operated for student housing, teaching, research, or administration by, a public or private university or college, that are contiguous or are clearly marked university property, unless it is with the written permission of the university or college president . . . shall be punished by imprisonment in the state prison for two, three, or four years. Cal. Penal Code §626.9(h)

Similar prohibitions apply to the transportation and possession of unloaded firearms. Assembly Bill 2609, enacted in

1998, specified that the law applies to off-site University properties that may not be a part of a central campus or contiguous to a campus, such as off-site student dormitories, field stations, and the Natural Reserve System (NRS). Notably, with respect to residences, only student housing is covered; faculty housing remains unaffected by this law.

The law also requires that the University post a prominent notice at primary entrances to all clearly marked noncontiguous property stating that unauthorized transportation and possession of firearms on University-owned or operated property is prohibited pursuant to California Penal Code Section 626.9. To comply with this new requirement, each Chancellor shall make arrangements to post appropriate signage at subject property.

In limited special circumstances, Chancellors or their designees may grant written permission to an individual for lawful possession of a firearm on University property. Law enforcement officers or security guards licensed to carry weapons do not need special permission. The Chancellor's staff shall work closely with the campus police departments to identify those circumstances when permission is warranted, such as to University employees who may work in remote and potentially dangerous locations. Campus police departments are encouraged to develop measures promoting public safety for those instances where authorization is approved, including fingerprinting, weapons inspections and the institution of gun safety measures.

626.9. (a) This section shall be known, and may be cited, as the Gun-Free School Zone Act of 1995.

(b) Any person who possesses a firearm in a place that the person knows, or reasonably should know, is a school zone, as defined in paragraph (1) of subdivision (e), unless it is with the written permission of the school district superintendent, his or her designee, or equivalent school authority, shall be punished as specified in subdivision (f).

(c) Subdivision (b) shall not apply to the possession of a firearm under any of the following circumstances:

(1) Within a place of residence or place of business or on private property, if the place of residence, place of business, or private property is not part of the school grounds and the possession of the firearm is otherwise lawful.

(2) The firearm is an unloaded pistol, revolver, or other firearm capable of being concealed on the person and is in a locked container or within the locked trunk of a motor vehicle.

This section shall not prohibit or limit the otherwise lawful transportation of any other firearm, other than a pistol, revolver, or other firearm capable of being concealed on the person, in accordance with state law.

(3) When the person possessing the firearm reasonably believes that he or she is in grave danger because of circumstances forming the basis of a current restraining order issued by a court against another person or persons who has or have been found to pose a threat to his or her life or safety. This subdivision may not apply when the circumstances involve a mutual restraining order issued pursuant to Division 10 (commencing with Section 6200) of the Family Code absent a factual finding of a specific threat to the person's life or safety. Upon a trial for violating subdivision (b), the trier of a fact shall determine whether the defendant was acting out of a reasonable belief that he or she was in grave danger.

(4) The person is exempt from the prohibition against carrying a concealed firearm pursuant to subdivision (b), (d), (e), or (h) of Section 12027.

(d) Except as provided in subdivision (b), it shall be unlawful for any person with reckless disregard for the safety of another, to discharge, or attempt to discharge, a firearm in a school zone, as defined in paragraph (1) of subdivision (e).

The prohibition of this subdivision shall not apply to the discharge of a firearm to the extent that the conditions of paragraph (1) of subdivision (c) are satisfied.

(e) As used in this section, the following definitions shall apply:

(1) "School zone" means an area in, or on the grounds of, a public or private school providing instruction in kindergarten or grades 1 to 12, inclusive, and within a distance of 1,000 feet from the grounds of the public or private school.

(3) "Locked container" has the same meaning as that term is given in subdivision (c) of Section 12026.1.

(4) "Concealed firearm" has the same meaning as that term is given in Sections 12025 and 12026.1.

(f) (1) Any person who violates subdivision (b) by possessing a firearm in, or on the grounds of, a public or private school providing instruction in kindergarten or grades 1 to 12, inclusive, shall be punished by imprisonment in the state prison for two, three, or five years.

(2) Any person who violates subdivision (b) by possessing a firearm within a distance of 1,000 feet from the grounds of a public or private school providing instruction in kindergarten or grades 1 to 12, inclusive, shall be punished as follows:

(i) If the person previously has been convicted of any felony, or of any crime made punishable by Chapter 1 (commencing with Section 12000) of Title 2 of Part 4.

(ii) If the person is within a class of persons prohibited from possessing or acquiring a firearm pursuant to Section 12021 or 12021.1 of this code or Section 8100 or 8103 of the Welfare and Institutions Code.

(iii) If the firearm is any pistol, revolver, or other firearm capable of being concealed upon the person and the offense is punished as a felony pursuant to Section 12025.

(B) By imprisonment in a county jail for not more than one year or by imprisonment in the state prison for two, three, or five years, in all cases other than those specified in subparagraph (A).

(3) Any person who violates subdivision (d) shall be punished by imprisonment in the state prison for three, five, or seven years.

(g) (1) Every person convicted under this section for a misdemeanor violation of subdivision (b) who has been convicted previously of a misdemeanor offense enumerated in Section 12001.6 shall be punished by imprisonment in a county jail for not less than three months, or if probation is granted or if the execution or imposition of sentence is suspended, it shall be a condition thereof that he or she be imprisoned in a county jail for not less than three months.

(2) Every person convicted under this section of a felony violation of subdivision (b) or (d) who has been convicted previously of a misdemeanor offense enumerated in Section 12001.6, if probation is granted or if the execution of sentence is suspended, it shall be a condition thereof that he or she be imprisoned in a county jail for not less than three months.

(3) Every person convicted under this section for a felony violation of subdivision (b) or (d) who has been convicted previously of any felony, or of any crime made punishable by Chapter 1 (commencing with Section 12000) of Title 2 of Part 4, if probation is granted or if the execution or imposition of sentence is suspended, it shall be a condition thereof that he or she be imprisoned in a county jail for not less than three months.

(4) The court shall apply the three-month minimum sentence specified in this subdivision, except in unusual cases where the interests of justice would best be served by granting probation or suspending the execution or imposition of sentence without the minimum imprisonment required in this subdivision or by granting probation or suspending the execution or imposition of sentence with conditions other than those set forth in this subdivision, in which case the court shall specify on the record and shall enter on the minutes the circumstances indicating that the interests of justice would best be served by this disposition.

A muzzle-loader firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the barrel or cylinder.
