CHANCELLORS

EXECUTIVE VICE PRESIDENT—CHIEF OPERATING OFFICER
DIRECTOR—LAWRENCE BERKELEY NATIONAL LABORATORY

Delegation of Authority—Third-Party Agreements, University Vanpool Programs

In March 1991, The Regents authorized the President to enter into third-party agreements with non-University drivers of University owned and operated vanpool vehicles to permit said drivers to operate the vehicles for limited personal use, in accordance with all University policies and campus procedures governing vanpool operations.

Effective immediately, you are delegated the authority to enter into such third-party agreements. This delegation supersedes DA1064, which was issued on March 31, 1992. Any redelegation of this authority from the Executive Vice President—Chief Operating Officer shall be in writing with a copy to the Universitywide Policy Office.

Yours very truly,

A handwritten signature in black ink, appearing to read "Janet Napolitano".
