## **EXECUTIVE VICE PRESIDENT—CHIEF OPERATING OFFICER**

### Delegation of Authority—Agreements Pertaining to the Purchase of Utilities Commodities and Services

At their November 16, 1984, meeting, The Regents approved deletion of Subsection (9) of Standing Order 100.4, Duties of the President of the University, Section (dd), which required that utility agreements exceeding \$100,000 per year be authorized by The Regents. The effect of that change was to authorize the President to execute all such utility agreements. Standing Order 100.4 (dd) reads in part:

\* \* \*

(dd) Except as otherwise specifically provided in the Bylaws and Standing Orders, the President is authorized to execute on behalf of the Corporation all contracts and other documents necessary in the exercise of the President's duties.

\* \* \*

Effective immediately, I authorize you to enter into and to execute agreements pertaining to the purchase of utilities commodities and services within your area of responsibility.

This authority may be redelegated. Any redelegation of this authority shall be in writing with copies to the General Counsel and Vice President for Legal Affairs and the Universitywide Policy Office.

This delegation supersedes the February 20, 2008 delegation to the Executive Vice President – Business Operations on this same subject.

Yours very truly,

Janet Napolitano  
President
