I. POLICY SUMMARY

The *Policies Applying to Campus Activities, Organizations and Students* are a compendium of University-wide policies relating to student life. Section 10.00 describes the preamble and general provisions for the *Policies*.

II. DEFINITIONS

Definitions for the *Policies Applying to Campus Activities, Organizations and Students*, and the campus implementing regulations adopted pursuant to them, are provided in Section 14.00.

III. POLICY TEXT

10.00 PREAMBLE AND GENERAL PROVISIONS

In carrying out its teaching, research, and public service activities, the University has an obligation to maintain conditions under which the work of its members--the faculty, students and staff--can go forward freely, in accordance with the highest standards of excellence, institutional integrity, and freedom of expression, and with full recognition by all concerned of the rights, privileges, and responsibilities of those who comprise the University community.

10.10

These *Policies* address the rights and responsibilities of members of the University community as well as others while on University property. These *Policies* also address the responsibilities of students as defined herein and provide Universitywide standards for campus implementing regulations as a means of sustaining this community.

Each member of the University shares in the responsibility for maintaining this unique community so that the University's mission of teaching, research, and public service can be achieved.

These *Policies* and their campus implementing regulations are designed to protect and promote the rights of members of the University, prevent interference with University functions or activities, and assure compliance with all pertinent laws and other applicable University policies.

IV. COMPLIANCE / RESPONSIBILITIES

Chancellors shall adopt campus implementing regulations consistent with these *Policies*. The University shall publish these *Policies* and make them widely available, and Chancellors shall do the same with respect to the implementing regulations for their campuses. This requirement may be satisfied through the on-line publication of these *Policies* and their respective campus implementing regulations. (See also Section 13.20 of these *Policies*.)

V. PROCEDURES

The President shall consult as appropriate with Chancellors, Vice Presidents, the Office of the General Counsel, and Universitywide advisory committees prior to amending these *Policies*. Chancellors shall consult with faculty, students, and staff prior to submitting to the President any campus recommendations related to proposed amendments to these *Policies*. Amendments that are specifically mandated by law, however, do not require consultation with campus representatives or Universitywide

advisory committees to the extent that legal requirements do not permit such consultation. (See also Section 13.10 of these *Policies*.)

Chancellors shall consult with students (including student governments), faculty, and staff in the development or revision of campus implementing regulations except when the development or revision of such regulations results from changes to these *Policies* that have been specifically mandated by law. Campuses shall specify procedures, including consultation processes, by which campus implementing regulations may be developed or revised. (See also Section 13.30 of these *Policies*.)

Prior to their adoption, all proposed campus implementing regulations, including all substantive modifications to existing such regulations, shall be submitted to the Office of the President for review, in consultation with the Office of the General Counsel, for consistency with these *Policies* and the law. (See also Section 13.40 of these *Policies*.)
