VICE PRESIDENT—AGRICULTURE AND NATURAL RESOURCES

Dear Colleagues:

Enclosed are three policies that have gone through technical and full reviews, and their dispositions have been approved:

1. Revised PPSM-30: Compensation Policy has undergone a full review. Revisions include adding language to the Procedures section affirming that, as locations, transfer to UCPath, general, and merit increases based on a percentage increase will be rounded up.
2. Revised Smoke and Tobacco Free Environment Policy has undergone a full review to align it with national standards for a comprehensive smoke- and tobacco-free policy. Revisions to the policy include incorporating various tobacco products and marijuana; revising the language used to broaden the scope of products included in the policy (electronic smoking devices); and removing/clarifying exemptions allowed.
3. BFB-A-17 Housing and Food Service Operations, Uniform Cost Accounting System, Description of Contents Policy is rescinded. The bond series that funded residence and dining hall operations have expired; thus, the reporting requirement detailed in this policy is obsolete and not needed.

The date of this letter will be the effective dates for the revised PPSM-30 and Smoke and Tobacco Free Environment Policies and the rescinded BFB-A-17. These policies will be published online at <http://policy.ucop.edu/>.

Yours very truly,
