

BUS-22, Group A Housing System, Detailed Rates

February 25, 1969

I. PURPOSE

This bulletin sets forth the procedures for (1) establishing detailed rates for Group A Housing System facilities and (2) accomplishing any subsequent adjustment of those rates which may become necessary.

II. GENERAL

- A. The rate structure policy approved by The Regents on March 16, 1967, states that The Regents shall approve average rates for the Group A Housing System, and that detailed rates shall be determined annually by the President and reported to The Regents.
- B. Average rates submitted by the campuses will be computed from data in the target budget requests, based on system-wide net revenue requirements. The average rates are subsequently presented to The Regents for approval. Detailed rates for facilities on each campus for the target budget year will be reported to The Regents at the same time.
- C. The authority to approve detailed rates and any subsequent adjustment of those rates as may be required after their establishment has been delegated to the Vice President - Business & Finance.

III. PROCEDURES

- A. To establish detailed rates for Group A Housing System facilities: Each campus will submit its proposed detailed rates to the Vice President-Business & Finance, in accordance with instructions for preparation of target budget requests.
- B. To adjust detailed rates for Group A Housing System facilities: Each campus will submit its requests to adjust detailed rates in letter form from the Chancellor to the Vice President-Business and Finance. Replies to rate adjustment requests will be directed to the Chancellor with copies to Vice Chancellors of Business and Finance and Student Affairs, or comparable campus officers.
