Dear Colleagues:

Enclosed is the Presidential Policy BFB-IS-11 Identity and Access Management that is being rescinded.

IS-11 was last updated in 2007 and most of the requirements covered were superseded by the release of the 2018 [BFB-IS-3: Electronic Information Security Policy](#) and the related 2019 [Account and Authentication Management Standard \(AAMS\)](#), thus a stand-alone policy is no longer required.

The rescission of this Presidential Policy is effective as of the date of this letter. The policy will no longer be available online and this letter will be posted in its place at <http://policy.ucop.edu/>.

Sincerely,

Michael V. Drake, MD  
President
